**FOR IMMEDIATE RELEASE**

February 12, 2008

FORT VALLEY, GA. – Blue Bird Coachworks is proud to announce the completion of its first delivery of eleven 40' Express Coaches to Federal Prison Industries in Terra Haute, IN.

Since the acquisition by Complete Coach Works in July of 2007, Blue Bird Coachworks has been on the forefront on retaining and gaining acquisitions with GSA, the US General Service Administration. Offering a 40' and 45' coach with different types of seating configurations, which abide to Federal Prison Industries specifications, Blue Bird Express Coaches were chosen for its craftsmanship, quality, price, and the location of manufacturing facility. Proud to state "Made in America", Blue Bird Coachworks manufactures all their coaches at their facility in Fort Valley, Georgia, enabling us to offer a quality USA made product in compliance with all provisions stipulated in the Buy America Act as mandated in all federal funded amendments.

Macy Neshati – Vice President of Sales and Marketing of Blue Bird Coachworks states: "We (Blue Bird Coachworks) are committed on building the legacy of Blue Bird with a quality product and impeccable service. GSA is an avenue in which we can exemplify and offer our nations government that great manufacturing facilities still exist in the United States and are very proud to state "Made in the USA."

Blue Bird Coachworks manufacturing facility is located on 32 acres in Fort Valley, GA. Production of the the GSA approved and cost effective Express 4000 and 4500 Coaches are also effectively manufactured for BRT and Regional Commuter markets. Additionally, Blue Bird Coachworks is widely recognized for its ever-popular "Wanderlodge" line of luxury motor coaches.
